FINAL FORMS

<https://milford-oh.finalforms.com>

Before we start the school year, it is critical that we have up to date and accurate information about all students and their parents/caregivers. This allows us to ensure students have the best learning experience and that we are able to communicate with you quickly and clearly.

Forms must be filled out each year. Information is saved year to year, but you are required to review this information and make any necessary updates prior to each school year.

Please complete all required forms prior to the start of school on August 14, 2024.

CONSTRUCTION M

We are making exciting progress on the secondary campus, with the new Middle School scheduled to open for the 2025-2026 school year. However, construction can mean additional congestion and delays at the beginning and end of the school day.

If you plan to drop off or pick up a student from the Jr. High or High School, please be on the lookout for important information from your Principal prior to the start of school.

Thank you for your patience!

PAYING FEES

Fees can be paid through the [PaySchools portal](#). Questions about fees or want to learn about a payment plan? Contact the Treasurer's Office at 513-831-1314.
